

The Alexandria Commission for Women  
& the Fairfax County Commission for Women present:

# VIRGINIA POST DOBBS

## A Discussion on Abortion Access Across the Commonwealth

June 8 @ 7 p.m.

Nearly one year after the United States Supreme Court struck down the constitutional right to abortion, more than 23 million women in the United States of America live in a state that has banned abortion. Join us for a virtual discussion on the status of reproductive health care in our communities and across the Commonwealth.
