

# ALEXANDRIA & SNOW

## What You Need to Know

The City is ready for Alexandria's winter weather. We work around the clock to clear snow from 561 lane miles of roadways, 20 miles of publicly owned sidewalks, walkways and pathways, and 44 acres of municipal parking lots and publicly owned squares.

For details about snow removal priorities, snow shoveling requirements, and other winter weather related information, scan the QR code on the magnet or visit [alexandriava.gov/Snow](http://alexandriava.gov/Snow).

## How You Can Help

Be prepared for winter weather by maintaining an adequate supply of shovels, salt or sand for your sidewalks and driveways. If you leave the City during winter, have a plan to ensure that your sidewalks will be cleared and park any vehicles off the street if possible.

Stay connected! Get weather-related updates in the City by following us on social media:
